Report on International Level Online Webinar

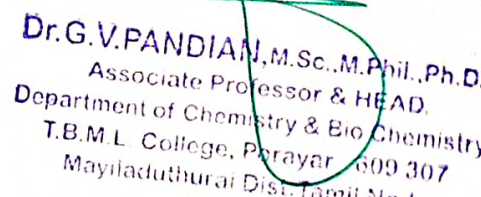

Basic Sciences of MRI Contrast Agents

Department of Chemistry, TBML College, Porayar has conducted a Report on International Level Online Webinar on Basic Sciences of MRI Contrast Agents on 12th June 2021 At 11.30 A.M – 12.30 P.M.. The main objective of the seminar was to bring together the academicians, researchers and students to provide a common platform for sharing their knowledge in the preparation and characterization of newer materials. It widened the horizons of the participants by bringing the recent researchers for industrial applications, societal development and human well-being.

Dr.G.V.Pandian, Head of The Department , Welcome the gathering . The resource persons of this Conference was **Dr.S.ANBU, Molecular Imaging Researcher** , University of HULL , United Kingdom delivered the keynote address.

Nearly 80 students and 80 faculties took active participation, and 3 numbers of papers were published. **Dr.J.Samu solomon**, Assistant professor of chemistry proposed Vote of Thanks to all supported staff members and non teaching members. The program ends with vote of thanks and National Anthem.
